

Vine Days 2021

Volunteers Needed

After a short Holiday and COVID hiatus, OLC will be resuming its series of winter “Vine Days” to continue the successful campaign against invasive vegetation. Our Preserves have provided a wonderful sanctuary for the past year, and this is a great - and safe - way to help sustain our precious community resource.

This year, the objective is to undertake a focused blitz in the **George Lorimer Preserve** to build on the successful removal and tree planting efforts along the eastern and western borders. At the same time, there will be an opportunity to perform any needed tube and cage maintenance on the new plantings.

Volunteers get out in the fresh air, help foster a diverse and attractive native eco-system and enjoy the companionship of like-minded neighbors.

All that's needed are protective clothing, gloves and, if you have them, tools such as loppers, pruners and hand saws to supplement OLC's supply.

**And of course, we will follow all government COVID advisories
In particular – wear your mask and maintain a six foot distance!**

Mark your calendars!
Second Saturday of the month
9am to 12 noon

Date	Preserve	Meeting Place
February 13 th , 2021	George Lorimer	North Valley Road Parking Lot
March 13 th , 2021	George Lorimer	North Valley Road Parking Lot
April 10 th , 2021	George Lorimer	OLC HQ, Le Boutillier Road

The Conservancy welcomes new members and volunteers. If you would like more information or wish to receive e-mail reminders about OLC activities, visit <https://www.openlandconservancy.org/volunteer.html>
